

Attachment 1

Authorization and Eligibility Requirements

1.9 Groundwater Management Compliance

The Lead Applicant, the City of Salinas, is a groundwater user, and the proposed project in this application, entitled “Drought Relief through Stormwater Diversion for Water Supply,” will have direct and positive impacts on groundwater levels and quality. Contact information for the City of Salinas and the Monterey Regional Water Pollution Control Agency staff responsible for this project is below:

Frank Aguayo, Senior Civil Engineer

City of Salinas

The project resides in the Salinas Valley Groundwater Basin and as such is covered by the Monterey County Groundwater Management Plan (GWMP). The Monterey County GWMP has been prepared and implemented by the Monterey County Water Resources Agency. The Monterey County GWMP was approved May 2006 and is in compliance with CWC §10753.7. The GWMP self-certification documents are attached below.

California Department of Water Resources
Integrated Regional Water Management Grant Programs

**CERTIFICATION FOR GROUNDWATER MANAGEMENT PLAN COMPLIANCE
FOR THE
PROPOSITION 84, IMPLEMENTATION AND
PROPOSITION 1E, STORMWATER FLOOD MANAGEMENT
GRANT PROGRAMS**

Grant Program: ☒ Implementation ☐ SWFM
IRWM Region: Greater Monterey County
Agency name: City of Salinas
Project Title (as shown on application form): Drought Relief through Stormwater Diversion for Water Supply

Please check one of the boxes below and sign and date this form.

- ☐ As the authorized representative for the agency, I certify under penalty of perjury under the laws of the State of California, that the agency has prepared and implemented a GWMP in compliance with CWC §10753.7.
- ☒ As the authorized representative for the agency, I certify under penalty of perjury under the laws of the State of California, that the agency participates or consents to be subjected to an existing GWMP, basin-wide management plan, or other IRWM program or plan that meets the requirements of CWC §10753.7(a).
- ☐ As the authorized representative for the agency, I certify under penalty of perjury under the laws of the State of California, that agency consents to be subjected to a GWMP that will meet the requirements of CWC §10753.7 and be completed within 1-year of the grant application submittal date.
- ☐ As the authorized representative for the agency, I certify under penalty of perjury under the laws of the State of California that the agency conforms to the requirements of an adjudication of water rights in the subject groundwater basin.

I understand that the Department of Water Resources will rely on this signed certification in order to approve funding and that false and/or inaccurate representations in this Certification may result in loss of all funds awarded to the applicant for its project. Additionally, for the aforementioned reasons, the Department of Water Resources may withhold disbursement of project funds, and/or pursue any other applicable legal remedy.
